

Safely Explore Amazing Destinations

Discover the beauty and excitement of stunning destinations around the world. From white sandy beaches to vibrant cities and breathtaking natural landscapes, our trips take you to places that will leave you breathless. Learners 8-100 years old are able to participate, ages 8-12 must be accompanied by an adult 23 or older. Our experienced team is constantly innovating and adapting to make sure your travel experience is safe and full of all the enriching learning opportunities and engaging adventures. From our rigorous safety checks and detailed site visits to continual safety trainings, we take every possible precaution to ensure a safe and worry-free tour for all participants. Check out the website for our current and past tours!

Donations

Being a nonprofit charitable entity, you are presented with the chance to contribute to our mission by making donations towards these endeavors. The tours additionally provide accreditation at both secondary and post-secondary levels for those who travel. This not only furnishes students with an edge in their post-secondary education but also grants them a unique and irreplaceable experience. Receipts containing tax-related information are both emailed and physically mailed for documentation purposes. Funds will be allocated through scholarships, fees, and expenses as determined by the Board of Directors. Please consider donating today with the attached form.

Fundraising

Fundraising is a fantastic way to help pay for educational tours because it not only alleviates the financial burden on families, but also fosters a sense of community and teamwork. It allows participants to actively engage in making their educational experiences more affordable, promoting ownership and responsibility. Moreover, fundraising efforts often raise awareness about the value of educational travel, which enhances learning through real-world experiences. It can bring together local businesses, schools, and individuals who believe in the cause, generating support while teaching students valuable skills like budgeting, communication, and organization. Please let us know if you have any fundraising opportunities!
